

62/91 : Committee for the Defence of Human Rights (in respect of Ms. Jennifer Madike) / Nigeria

Complaint

1. The case concerned an individual detained on charges of drug dealing. The Complainant committee alleged that the detention was politically motivated. The Commission received information that the detainee was freed and subsequently inquired of the Complainant if it wished to pursue the case.

Finding

2. These inquiries went unanswered despite two reminders. The Commission therefore decided that the file be closed because of loss of contact with the Complainant.
